

CORPORATE PARTNERSHIPS

kivipark.com

Dear Friend,

I would like to offer you the opportunity to partner with Kivi Park, Sudbury's premium outdoor wellness and adventure attraction. As a partner, you will not only help support and advance Kivi Park but you will be contributing to our sustainability plan that will ensure Kivi Park can be enjoyed by residents of the City of Sudbury and beyond for years to come.

Kivi Park is a 12-month, 4-season attraction comprised of 480 acres of land and is a premier destination for outdoor health and wellness, sport and adventure. The park offers a 1.3km skate path through the forest, hiking, snowshoeing, fat biking, mountain biking and both classic and skate skiing trails. Canoeing, kayaking, and paddle boarding is also available at the Crowley Lake Outpost with options to portage to Linton Lake.

Up to now, Kivi Park has been maintained through the generosity of private donors. In order to ensure Kivi Park is enjoyed by citizens for generations to come, we are launching a whole new way of managing Kivi Park for the future.

As a not-for-profit we are now looking to partner with businesses such as your own in a mutually beneficial relationship through both Sponsorship and Corporate Pass Programs.

Both opportunities are outlined in this Kivi Partnership Package. We greatly appreciate your consideration. For further discussion please contact myself, Kerry Lamarche by phone 705.822.5165 or email klamarche@kivipark.com

Kindest Regards,

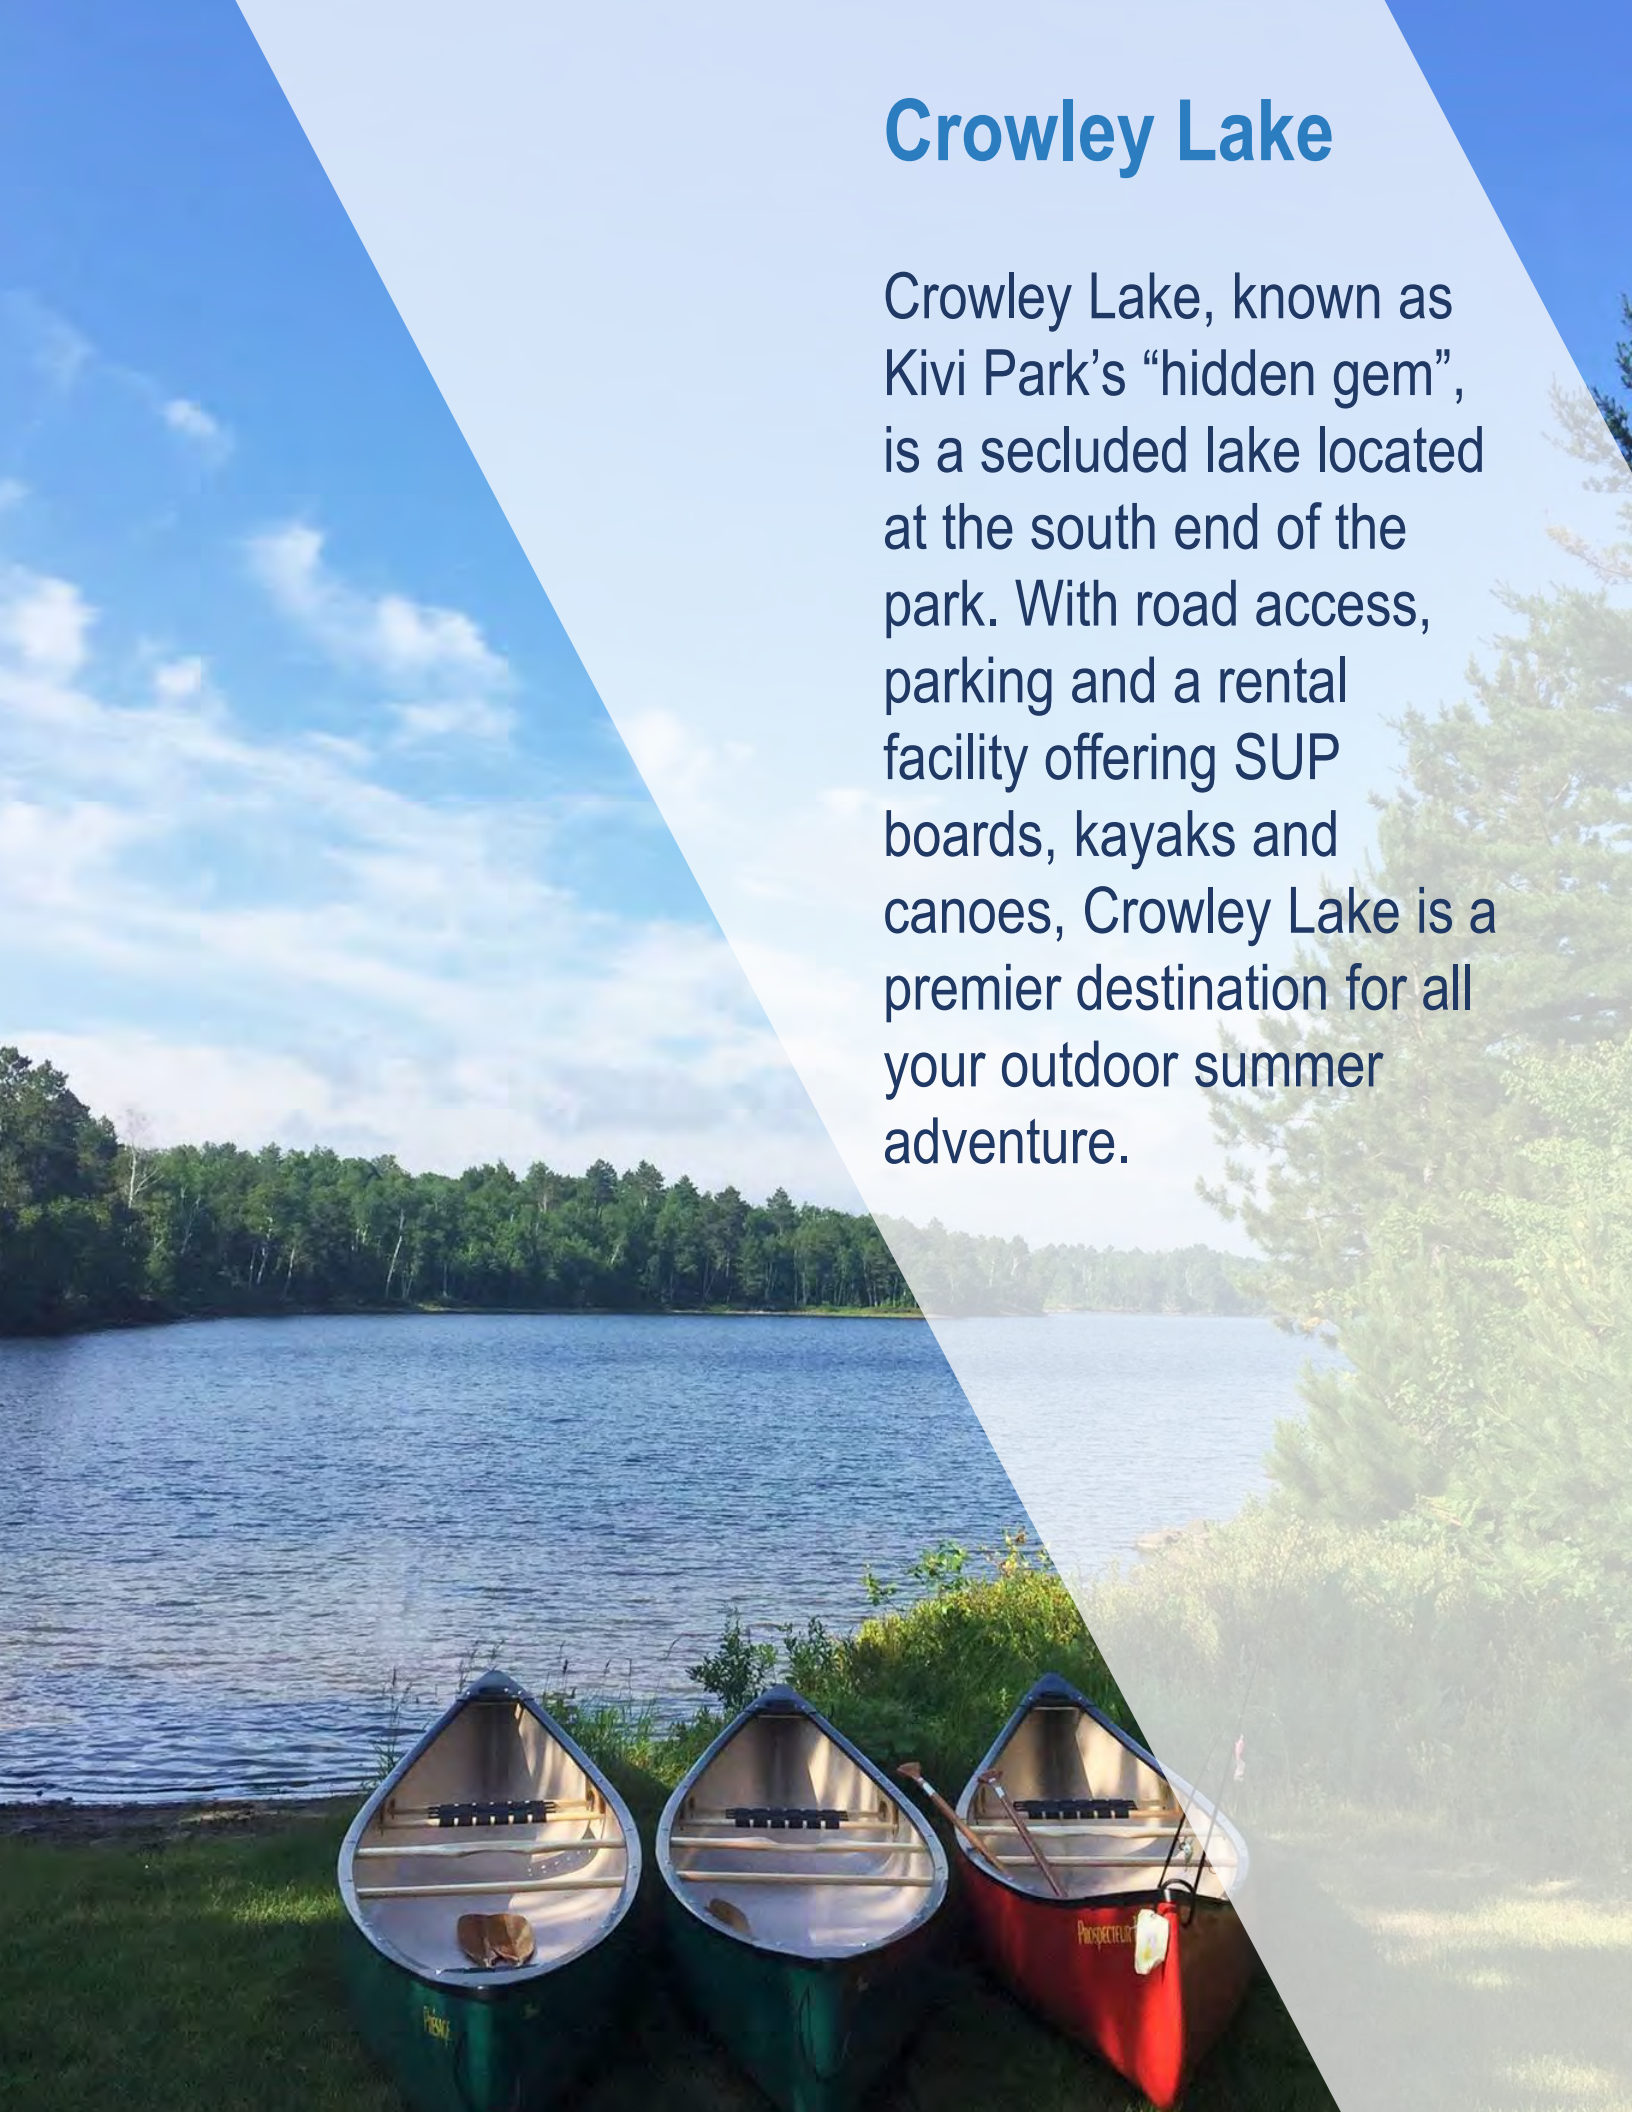

Kerry Lamarche

Executive Director

Crowley Lake

Crowley Lake, known as Kivi Park's "hidden gem", is a secluded lake located at the south end of the park. With road access, parking and a rental facility offering SUP boards, kayaks and canoes, Crowley Lake is a premier destination for all your outdoor summer adventure.

Corporate Kivi Pass

Offering employees access to Kivi Park is a wonderful way to support your employee's health and wellness. Studies show that physical activity as well as spending time outdoors has a significant impact on individuals physical and mental health. Show your employees you care; help improve their physical and mental health and invest in something that will help retain employees all with the purchase of your Corporate Kivi Pass.
