

Memorial Program

Kivi Park's Memorial Program gives you the opportunity to dedicate a bench, tree, bird feeder or a garden in memory of a loved one and to commemorate their life. Each gift is a living legacy and a lasting tribute that will benefit the community as a whole. The Kivi Park team will work with you to select the right location that is mutually beneficial.

We will review your application, confirm availability and contact you to engage in next steps including location information and payment handling. We'll do our best to achieve this within 1-2 weeks of applying. For multiple requests, please fill out the application for each one memorial item, as items will be approved on an individual basis. If you need assistance or would like to discuss larger memorial gift opportunities please email us.

Memorial Garden \$5,000

The loss of a loved one is a challenge that everyone will experience during their lifetime. While the only way to heal from a loss is with time, the gift of a memorial garden is an inspirational way to pay tribute to their life while giving you a quiet and beautiful place to let their memory flourish.

Gardens will be identified with an engraved plaque upon which the donor may choose to select up to four lines of text with approximately 50 characters per line. A donation period will last 10 years. Within this time, Kivi Park will replace a plaque one time if it is damaged or stolen at no cost to the donor. Kivi Park staff will make every effort to properly maintain the garden and ensure that each year your memorial garden is in full bloom. **Please note:** After 10 years the donation is renewable at the current price of \$5000 with the first right of refusal given to the original donor. If the original donor decides not to renew, the garden will become available.

This program provides an opportunity to commemorate a loved one in a natural setting with the lasting dedication of a tree at Kivi Park. The gift of a memorial tree at Kivi is a meaningful, and peaceful tribute to a life well lived.

Trees will be identified with an engraved plaque upon which the donor may choose to select 1 line of text with approximately 100 characters. Family and friends will be able to choose any undesignated tree within Kivi Park. The memorial tree will forever be marked with your message of choice commemorating the life of your loved one.

Memorial Bird Feeder \$500

Celebrate the life of a loved one, friend or family member with the dedication of a bird feeder. The gift of a birdfeeder will contribute to the natural environment of the park and celebrate life by feeding and attracting the soothing presence of local birds.
